

**In the United States District Court  
for the Southern District of Georgia  
Brunswick Division**

FILED  
U.S. DISTRICT COURT  
2006 DEC 22 A 9:09

ROBERT E. SMITH and  
MELISSA SMITH,

Plaintiffs,

v.

BENJAMIN R. CLARK,  
individually, and COASTLINE  
CONSTRUCTION COMPANY, INC.,

Defendants.

CIVIL ACTION

NO. CV205-117

**O R D E R**

Plaintiffs, Robert E. Smith and Melissa Smith, filed this action against Defendants, Benjamin R. Clark and Coastline Construction Company, Inc. ("Coastline"), asserting tort and contract claims under Georgia law. Coastline filed a counterclaim against the Smiths for breach of contract.

Presently before the Court is the Smiths' motion for partial summary judgment regarding Clark's liability for the acts of his alleged alter ego corporation, Coastline. Because there is abundant evidence that piercing the corporate veil is

warranted in this case, and because Defendants concede that Plaintiff's motion should be granted, the motion is **GRANTED**.

See Dkt. Nos. 69, 70, 73, 74, & 81.

SO ORDERED, this 22 day of December, 2006.
